

# INTRODUCING... INFILUBE MAINTENANCE FREE

INFINITY BY DIAMOND® CHAIN COMPANY

Diamond Chain's Infinity maintenance free chain series is designed specifically for applications in which regular lubrication is impractical. Infilube features a one-piece powdered metal bushing and roller combination lubricated under vacuum which provides supplemental lubrication to the chain throughout its service life.

For additional information on Infilube Maintenance Free product series, please contact your local sales representative or Diamond Chain's European headquarters at +44-191-414-8822.
